Review of municipal taxation and expenditure in the Province of Bombay for the year 1937-38.

GOVERNMENT OF BOMBAY.

GENERAL DEPARTMENT.

Resolution No. P. 55.

Bombay Castle, 12th July 1939.

Read the reports from the Commissioners of Divisions on the working of the Municipalities and notified areas in the Province of Bombay for the year 1937-38.

RESOLUTION.

PART I.

Summary.

Number and area.—The total number of municipalities in the Province of Bombay at the close of the year under report was 130. Of these twenty-seven were governed by the Bombay Municipal Boroughs Act, 1925, and the rest by the Bombay District Municipal Act, 1901. Of the latter, six, viz., Godhra, Viramgam, Yeola, Malegaon, Bagalkot and Guledgud were City Municipalities constituted under section 181 of the Act. The number of notified areas (exclusive of those which merely exist for the purpose of enforcing building regulations and do not levy taxes) were five in the Bombay Suburban District, one each in the Thana, Poona, Ahmedabad and Satara Districts and five in the Southern Division. The work of the valuation of properties, etc., in the Kankaria notified area in the Ahmedabad District was completed last year and the Committee levied taxes with effect from the 1st April 1937.

There was no change in the municipal areas except in Kapadvanj, the area of which increased from 0·56 square mile to 0·68 square mile.

2. *Change in the population and boundaries.*—The total population resident within municipal areas was 2,645,509. The boundaries of the Yeola and Kapadvanj municipalities were extended during the year under report.

3. *Constitution of municipalities.*—In the Northern Division the constitution of all municipalities remained unchanged in the year under report except that of Dohad where the number of councillors was reduced from 25 to 24 by the reduction of a nominated official. The affairs of the Kurla Municipality in the Bombay Suburban District continued to be managed by the Administrator appointed by the Commissioner under section 219 (*2*) (*b*) of the Bombay Municipal Boroughs Act, 1925. Triennial elections were held during last year at Ranpur, Broach, Dohad, Surat and Bhiwandi.

In the Central Division the Barsi Municipality was reconstituted so as to consist of 22 elected and 2 nominated councillors as against 16 elected and 4 nominated councillors under the old constitution. Triennial elections were held in 12 municipalities during the year as against 17 in the previous year. By-elections were held in the case of 8 municipalities.

In the Southern Division the supersession of the Gokak Municipality continued during the year under report. Triennial elections were held in 18 municipalities. The elections were keenly contested everywhere except in Sirsi and Bhatkal and in the Muhammadan constituency of Ranebennur. Six by-elections were also held.

A consolidated statement showing the number of voters who exercised the franchise at the general elections in the Province is appended.

4. *Attendance at municipal meetings.*—The number of meetings held during the year in the three divisions was 3,273 as against 3,174 in the previous year, of which 478 proved to be abortive for want of quorum and 1,111 were adjourned. The average percentage of attendance of members at the meetings in the year under report was 64·41. The corresponding percentage in the previous year was 65·93. The Poona City Municipality adjourned its meetings on 12 occasions on grounds unconnected with municipal administration. Out of these, on 4 occasions no reasons were given for adjournment.

5. *Changes in the system of taxation—(a) Property taxes.*—The schedule of house-tax was revised by the Kapadvanj, Parola, Kumta and Haliyal Municipalities. The Dhond Municipality which was established in 1936 introduced a house-tax. Kumta granted a rebate of 22 per cent. of house-tax for 2 years.

(*b*) *Octroi.*—The Uran and Yaval Municipalities introduced octroi. The Bhusawal Municipality reduced the duty on ice.

(*c*) *Terminal tax.*—The Amalner Municipality revised its terminal tax schedule. Owing to an initial illegality the Dhond Municipality had to discontinue its terminal tax on the export of goods.

(*d*) *Water rate.*—The Matheran Municipality abolished the minimum water rate on properties having pipe connections and reduced the scale of water charges from Rs. 2-8-0 to Rs. 2-0-0 per 1,000 gallons with effect from the 1st April 1937.

(*e*) *Sanitary cess.*—The Ahmedabad, Surat, Parola and Faizpur Municipalities revised their rates of special sanitary cess. The last two municipalities also revised their rates of general sanitary cess. The levy by the Hubli Municipality of special sanitary cess which was sanctioned by Government in 1936 was introduced during the year under report. The Dhond Municipality introduced a general sanitary cess and privy cess.

(*f*) *Conveyance tax and toll.*—The Ahmedabad, Amalner and Nandgaon Municipalities amended their wheel-tax rules. The last two municipalities and the Dhond Municipality introduced tolls. The Chiplun Municipality abolished tolls on motor cars. The Bulsar Municipality levied wheel-tax on bicycles at Re. 1 per annum.

(*g*) *Other miscellaneous taxes.*—The proposal of the Sholapur Municipality for the levy of a dog tax was sanctioned and given effect to from the 1st April 1938. The Hubli and Amalner Municipalities levied a tax on hotels and teashops.

6. *Municipal income.*—The aggregate gross income of the municipalities in the three divisions rose from Rs. 318 lakhs to Rs. 389 lakhs. Deducting the receipts under "extraordinary and debt" the net income amounted to Rs. 203·65 lakhs as against Rs. 189·78 lakhs in the preceding year. The important variations are set out in the following paragraphs :—

(*a*) *Octroi and terminal tax receipts.*—There was an increase of about Rs. 80,000 under this head which was shared by all the three divisions. There were slight increases or decreases in individual municipalities, the most notable being an increase of Rs. 1,14,385 in Ahmedabad due to increased imports by rail and a decrease of Rs. 20,856 in Surat.

(*b*) *Taxes on houses and lands.*—The receipts under this head showed an increase of about Rs. 20,765 in the Northern Division and Rs. 68,000 in the Central Division and is attributed generally to revision of assessment lists and better collections. The notable increase was in Bandra (Rs. 27,000) and decrease in Dharwar (Rs. 14,000). The Southern Division showed a decrease of about Rs. 24,000.

(*c*) *Water rates.*—The receipts under this head showed an increase generally except in Ahmedabad and Kurla where the receipts fell by Rs. 1,45,161 and Rs. 19,623 respectively as there were no past arrears to collect.

(*d*) *Revenue derived from municipal property.*—The receipts under this head showed an increase of about Rs. 2½ lakhs, which was shared by all the Divisions. In Ahmedabad an increase of about Rs. 70,000 was due

to the rent of new shops, etc. Kurla derived an increased income of about Rs. 14,000 from slaughter house fees. Elsewhere the increase was due mainly to the sale of municipal lands.

(*e*) *Grants and contributions for general and special purposes.*—The receipts under this head which consist mainly of grants-in-aid by Government to municipalities for water supply and drainage for the entertainment of health officers and sanitary inspectors and for medical and educational purposes showed an increase of about Rs. 7,73,000 in the Northern Division and Rs. 47,000 in the Southern Division. The increase occurred in the Southern Division owing to the receipt of larger educational grants from Government. In the Northern Division, the Ahmedabad Municipality received the arrears of the educational grant amounting to Rs. 8 lakhs which had been withheld since 1931-32. Kurla received a donation of Rs. 22,000 from Khan Bahadur Bhabha and about Rs. 5,000 from His Majesty's Silver Jubilee Fund.

7. *Nature of income and incidence per head of population.*—Of the total income of the municipalities amounting to Rs. 2,03,66,214, Rs. 1,49,64,108 were realised from municipal rates and taxes as compared with Rs. 1,47,64,030 in the previous year. Direct taxation yielded Rs. 85,50,121 or 52 per cent. of the total and indirect taxation Rs. 64,10,987 or 48 per cent.

The following table shows the average incidence of taxation and income per head of population during the year under report as compared with the previous year in the Province as a whole and in each of the three Divisions:—

	Incidence of taxation.		Incidence of income.	
	1936-37.	1937-38.	1936-37.	1937-38*
	Rs. a. p.	Rs. a. p.	Rs. a. p.	Rs. a. p.
Bombay Province	5 9 4	5 10 6	7 2 9	7 11 2
Northern Division	7 9 3	7 8 6	9 2 3	9 14 2
Central Division	4 10 4	4 14 7	6 8 7	6 15 8
Southern Division	3 8 9	3 7 7	4 10 5	4 10 5

8. *Recovery of dues.*—During the year under review the collection of taxes continued to be unsatisfactory but there were some notable exceptions.

The total amount of arrears of taxes and dues in all the municipalities of the province at the end of the year was about Rs. 22·40 lakhs, i.e., nearly the same figure as in the preceding year.

In the Northern Division the work of recovery in Ahmedabad and Kurla was creditable.

In the Central Division the recovery was excellent in Amalner, Sholapur and Mahableshwar Municipalities.

In the Southern Division the municipalities had to recover in all Rs. 12,73,146 including Rs. 3,81,188 on account of past year's dues. Out of the total dues Rs. 8,25,601 were recovered leaving about 35·13 per cent. of the total demand outstanding. The arrears were particularly heavy in Bailhongal, Athni, Belgaum, Nipani, Guledgud, Bijapur, Dharwar, Haveri, Nargund, Karwar, Kumta, Honavar, Bhatkal, Gokarn, Uran, Malvan and Vengurla Municipalities.

9. *Working of octroi and terminal tax systems.*—In the Northern Division there was no change in the number of municipalities levying octroi or terminal tax, except Dohad which discontinued the terminal tax on exports. Out of the gross collections of Rs. 4,82,014 from octroi, a sum of Rs. 1,29,015 was refunded on account of goods re-exported against Rs. 1,29,048 in the preceding year, the Surat Municipality alone being responsible for a refund of Rs. 1,38,499. The Nadiad Municipality opened three Nakas for the collection of the tax on road-borne traffic, with a view to preventing diversion of goods traffic from the railways to roads, as terminal tax was levied till then on rail-borne traffic only.

In the Central Division the octroi system was in force in 35 municipalities while nine municipalities levied terminal tax. Karad is the only Municipality which levied octroi as well as terminal tax. The gross octroi collections amounted to Rs. 16,54,703, the net income being Rs. 15,76,288. The percentage of refunds in respect of re-exported goods was 4·7 as against 6·7 in the preceding year.

In the Southern Division the octroi system was in force in 22 municipalities against 21 in the preceding year, while 13 municipalities levied terminal tax. Uran levied octroi for the first time. The gross receipts from the octroi amounted to Rs. 5,85,034 of which Rs. 20,369 were refunded in respect of re-exported goods, the percentage of refunds being 3·48 as against 2·58 in the previous year.

10. *Expenditure.*—The total expenditure of the municipalities in the Province of Bombay excluding Sind was Rs. 3,39,36,579 as against Rs. 3,15,71,727 in the previous year. Excluding the item of " extraordinary and debt " the expenditure amounted to Rs. 1,86,23,069 as against Rs. 1,85,12,698 in the preceding year :—

(*a*) *Administration.*—The total expenditure on administration increased by Rs. 63,063.

(*b*) *Water Supply.*—The total expenditure on water supply decreased by about Rs. 3,99,027.

(*c*) *Drainage.*—The expenditure under this head decreased by about Rs. 66,072 in the Northern Division and increased by Rs. 67,089 in the Central Division and Rs. 2,000 in the Southern Division.

(*d*) *Conservancy.*—The expenditure under this head, which represents money spent on road cleaning and watering and on public latrines but excludes expenditure on special sanitary services, decreased by Rs. 8,662 in the Northern Division and Rs. 7,000 in the Southern Division and increased by Rs. 45,959 in the Central Division. Eight municipalities in the Northern Division and 13 in the Central Division failed to observe the principle that proceeds from special sanitary cess should not be less than the cost of special private service rendered by municipalities.

(*e*) *Hospitals and dispensaries.*—17 municipalities failed to spend on medical relief the minimum 4 per cent. of their expenditure as enjoined by Government. The total expenditure under this head increased by Rs. 98,065 in the Northern Division, Rs. 47,692 in the Central Division and decreased by Rs. 10,000 in the Southern Division.

(*f*) *Road expenditure.*—The expenditure on roads decreased by Rs. 16,113 in the Northern Division, Rs. 20,696 in the Central Division and increased by Rs. 4,000 in the Southern Division. 23 municipalities in the Northern Division, 19 in the Central Division and 10 in the Southern Division, however, failed to observe the principle of devoting the whole of the proceeds of wheel-tax to the construction and maintenance of roads.

(*g*) *Public instruction.*—The total expenditure under this head increased by Rs. 2,60,074. All the divisions showed increases.

11. *Closing balance.*—The aggregate closing balance of all the municipalities in the Province amounted to Rs. 40,31,348 as against Rs. 40,49,408 in the preceding year.

12. *Financial working of water supply installations.*—In the Northern Division the income of the Ahmedabad Municipality from the water rate fell from Rs. 19,03,236 in the preceding year to Rs. 17,58,075 in the year under review. The decrease was due to the fact that the Municipality had no past years' arrears to recover as in the previous year. Sinking fund and depreciation charges, however, rose from Rs. 4,33,154 to Rs. 5,50,694. The working of the water supply installation at Surat showed a net profit of Rs. 1,73,102.

The water supply accounts of Rander, Thana and Bhiwandi also showed a profit during the year. Bandra and Kurla Municipalities obtained their supply of water from the Bombay Municipality through Government in the Public Works Department.

In the Central Division, the water works at Dhulia, Nandurbar, Trimbak, Karad, Satara City, Nasik, Sirur and Vita yielded a profit while those at Barsi worked at a loss. At Jalgaon, there are two systems of water supply—the Girna Water Works and the Mehrun Tank Supply. The former worked at a profit while the latter showed a loss.

In the Southern Division, with the exception of the water works at Bijapur and Pen, the installations at Nipani, Dharwar, Hubli, Roha-Ashtami, Matheran and Panvel showed a profit. The Alibag Municipality levies no water tax and the expenditure incurred was on account of establishment only. The installation at Bijapur has been working all the while at a loss.

13. *Audit of accounts.*—The principle defects noted were :—

(i) unsatisfactory finance,

(ii) heavy arrears,

(iii) incomplete maintenance of demand and assessment registers,

(iv) delay in disposal of previous audit notes,

(v) lax supervision over the work of subordinates,

(vi) failure to take proper disciplinary action in instances of negligence with the consequent loss of the rate-payers' money,

(vii) entertainment of establishment in anticipation of sanction and non-observance of rules and standing orders.

In the Northern Division, audit disclosed cases of misappropriations, defalcations and irregularities in the accounts of the Nadiad, Mehmedabad, Broach, Surat and Rander. The financial position of the municipalities of Broach, Jambusar, Rander, Bassein and Kalyan were reported to be unsatisfactory. A special audit of the Kalyan Municipality was undertaken as the Board was unable to pay the wages of the staff and school teachers. It was found that failure to collect municipal dues promptly was the root of the trouble.

In the Central Division, hardly any improvement was noticeable in the prompt disposal of audit notes. The accounts of the Municipalities of Barsi, Jejuri and Faizpur revealed defalcations and embezzlements and steps were taken to deal with the offenders.

In the Southern Division, no cases of embezzlement were noticed.

14. *Grants for sanitary and town improvement schemes.*—A grant of Rs. 8,440 was made by Government to the Poona Suburban Municipality.

Part II.

Remarks regarding more important municipalities.

15. *Ahmedabad.*—The financial position of the Ahmedabad Municipality continued to be sound. The percentage of recovery to the total demand was 96 per cent. The Kankaria and Jamalpur Town Planning Schemes were finally sanctioned and many of the works have been executed and progressive all round development is proceeding apace. The proposal of the Municipality to raise a loan of Rs. 40 lakhs for the Kalupur Relief Road Scheme has been sanctioned by Government.

The Municipality is doing its best to meet the increased demand for water supply and two underground tanks each of one million gallons capacity have been completed making the total storage capacity of 4,500,000 gallons. The Suburban Drainage Scheme has made much progress.

Public health was on the whole good and no epidemic in a serious form visited the City. The work of the reconstruction of Manekchowk shops was completed and shops rented. The construction of an up-to-date fully equipped Infectious Diseases Hospital outside Jamalpur gate was sanctioned and also the opening of a Tuberculosis Clinic. The Municipal Anti-Veneral Clinic commenced work.

The work of construction of two additional high level bridges across the river Sabarmati is in progress. 180 acres of land for a public park are being acquired. 12 roads were asphalted and there are now 52 miles of dustless roads. Rs. 31,017 were spent on the construction of footpaths and Rs. 1,36,500 on paving Pols. Several amenities were provided in Harijan localities, such as bath rooms, water closets, urinals, public water tap platforms, underground drains and paving of streets.

The administration of Ahmedabad Municipality towers above all others in the magnitude and imagination of its schemes, its drive and all round general efficiency.

Surat.—The financial position was satisfactory on the whole, though the arrears increased from Rs. 1,45,906 to Rs. 1,52,901. Increased expenditure was incurred on Hospitals, dispensaries, fire-brigade, roads and lighting. The Municipality has prepared a drainage scheme. The programme of replacing oil street lamps by electric lamps was completed. A new primary school building, viz., the King Edward Memorial School was constructed. A maternity home is being built from a donation of Rs. 20,000 by Mr. R. G. Lakhpati. Land has been purchased for an Infectious Diseases Hospital. A two-storeyed building for the fire-brigade staff has been constructed.

Poona City.—The outstandings were slightly reduced from Rs. 1,61,238 in the preceding year to Rs. 1,37,066 at the end of the year under review.

Public health was on the whole good and no epidemic visited the City. The Municipality held a Health Week.

Sholapur.—The financial position of the Municipality was sound. The collection of arrears was good. It has started to asphalt the main roads and is investigating the questions of additional water supply. A loan of Rs. 7,75,000 was sanctioned by Government for a drainage scheme. The Municipality spent large amounts on Town Planning Schemes I and II but several bad slums still remain.

Part III.

General Remarks.

16. No signs of improvement in the municipal administration as a whole have been observed during the year. The bigger borough municipalities like Ahmedabad, Sholapur, Poona, which worked well or reasonably well in previous years continued to do good work while the work of the inefficient bodies continued to be bad. These lesser municipalities are handicapped for want of funds which, however, they resolutely refuse on one excuse or another to augment or improve. The result is a dull unimaginative mediocrity of administration in which the essentials are often neglected. It is hoped that a change can be recorded in the near future. The number of councillors is being increased everywhere. It is to be seen whether as a result homogenous parties with adequate majorities will be elected to the Boards and possess sufficient cohesion and drive to work for the general interests of the rate-payers and not for sectional and personal interests. If this does not come about in the larger municipalities the outlook for the future will not be bright.

In several municipalities constant interference by councillors in the work of the executive was a lamentable feature, while in many others party-factions

hampered the working of municipalities and in Pandharpur especially the party-factions created a complete dead-lock. The Ashta Municipality had to be superseded for incompetence and abuse of powers. In the Southern Division neither of the two important municipalities, Dharwar and Hubli, had a Chief Officer and things were more or less in chaos.

17. The financial position of municipalities generally does not show any improvement. The Nasik Municipality made a default for the second time in the repayment of the instalment of Rs. 10,000 of the loan of Rs. 46,078 borrowed from the Water Works Depreciation Fund. In the Southern Division though the financial position is generally satisfactory, it is due to the fact that the municipalities rest content without any improvements in the civic amenities they provide. The funds are quite meagre in comparison with needs and there is disinclination to increase taxation. The position of Bijapur suddenly deteriorated with a reduction in income of about Rs. 23,000 and an increase of expenditure of about Rs. 42,000. This reflects upon the prudence with which the affairs of the Municipality are being managed. Government has instituted an enquiry into the administration of this Municipality.

18. The relations between municipalities and Government officials were on the whole cordial.

19. No serious epidemic appeared during the year in the Northern Division and Southern Division. It is noteworthy that the continuance of anti-plague measures resulted in the stamping out of plague in Bulsar. Cholera broke out in many municipalities in the Central Division but prompt steps were taken everywhere to prevent the spread of the epidemic. Karwar is contemplating the clearance of slums with a view to eradicating plague which has taken the form of an endemic scourge.

20. Equal facilities have been granted to the Harijans in matters of education, water supply and other amenities within municipal areas everywhere with the one notorious exception of Trimbak Municipality which still recognises caste disabilities and resolved not to erect notice boards on the public wells. Government intends to take suitable action in the matter.

21. Government acknowledges with pleasure the signal services rendered by the non-official gentlemen mentioned by the Collectors and Commissioners; Government also desires to convey to the Commissioners, Collectors and Officers of other Departments its appreciation of the help, advice and guidance given by them to municipalities whenever necessary.

By order of the Governor of Bombay,

H. T. SORLEY,
Secretary to Government.

G. R., No. P. 55, G. D., dated the 12th July 1939.

*The difference of Rs. 2 in the figures in column 60 of Statement No. III for 1936-37 and in column 4 of Statement No. II for 1937-38 is due to the mistake that was being carried out by the Municipality in the opening balance since 1934-35. The discropancy has been pointed out by the Municipality only this year.

No. II—*contd.*

* The closing balance for the last year was shown as 4,489; it was only the cash balance in hand and was exclusive of deposits of Rs. 423 which were wrongly shown in column (52) of the statement No. III instead of in column (61) and hence the increase of 423 in the opening balance.

No. II—*contd.*

* It must be clearly understood that under these heads only such general charges are to be shown as cannot be properly shown under any of the other heads. Whenever establishment is employed, or works are constructed for a particular purpose only, the charge should be shown under the head to which that purpose belongs and not under these heads.

No. III.
